

Langdale Elementary School

August 30, 2017

1551 Johnson Road,
Gibsons, BC

Dear Langdale Families,

Welcome back to Langdale Elementary School! We are excited about the new school year and the enthusiasm that will flow through the building on Tuesday when students return. Staff is looking forward to connecting with returning, as well as new, students.

We would like to extend a warm welcome to those families who have recently joined the Langdale community. To those families who are returning from the previous year, welcome back! In the spirit of the new school year, we encourage all parents to take an active role in your child(ren)'s learning by becoming involved in various school activities. We know that communities are as strong as the relationships they are built on. A strong partnership between home and school helps to ensure your child's success. The office is always open if you need anything or wish to chat.

The Langdale building has had some major work done to it over the break. We have solar panels on the roof, which will reduce our energy footprint significantly, a newly resurfaced gym floor and a renovated family kitchen off the gym. Furthermore, the ducts servicing the school have been cleaned thoroughly by a professional team. Once again, our custodian, Ms. Hill, has worked tirelessly to make sure the school is clean and ready for school commencement.

We are looking forward to another great school year!.

Warm regards,

Duncan Knight
Langdale Elementary Principal
